

Felix and Eleanor Marso purchased Valley Farm Market in 1956 and shortly thereafter it became a family operated business. Dedicated to the community, as they sponsor youth sports, local charities, as well as local sheriffs and firefighters, Valley Farm Market is located in Spring Valley and famous for its USDA Prime and Choice beef from Omaha, Nebraska, fresh seafood flown in weekly from Alaska, distribution of Julian Pies, fine wines, microbrew beer, and award-winning BBQ.

For the past sixty years, Valley Farm Market has been a family owned and operated business, and the tradition continues as Felix and Eleanor's grandson, Derek Marso, is the 3rd generation to own the store.
